

Application For Funding Assistance

SCAN gave approximately \$21,600 in 2017 to organizations that address the unmet needs of Sarasota County seniors. The grant program is part of SCAN's mission of advocacy and welcomes applications from a broad range of non-profit organizations or others working as volunteers to help seniors. Successful proposals will provide a meaningful contribution to local seniors' unmet needs. The organization's preference is to support efforts that help the largest number of seniors and do not duplicate the efforts of others. Grants decisions are made by the organization's board of directors as resources allow. Requests for funds should be made on the application form below or downloaded at SCAN's website: www.ScanFlorida.com

Name of Organization _____

Address _____

Contact Person _____

Phone _____ **Fax** _____

Email _____ **Web Site** _____

Is this organization not-for-profit? 501 (c)? YES () NO ()
